

Academic excellence through the light of faith

Saint Timothy Middle School

www.stmswh.org

Dear St. Timothy Middle School Parents and Guardians:

We are excited about the books that we have selected for the summer bridging assignments. We encourage you to read along with your child, to discuss themes, characters, favorite parts, and challenges.

These books are grade appropriate; some of the content, however, may be difficult. Your companionship with your child will help them to process certain aspects of the books. In addition, sharing the experience of reading enriches your lives.

We wish you a restful summer and look forward to seeing your children in the new school year.

Colleen Whitty DiSanto, Principal
Thomas Menner, Associate Principal
